

Hybrid Youth Mission Experience

WHO: All youth at First Church, their friends, and our youth leaders. Parents are welcome too!

WHAT: This is a hybrid experience- mainly online but includes a hands-on project as well. We are working with the organization [Incredible Days](#) to learn about and reflect on Urban Poverty and will focus on food insecurity, affordable housing, and advocacy.

WHY: This is who we are as people of faith. We seek to learn about our neighbors and to learn how we can help through service and advocacy!

WHEN: The dates are July 19-24, Sunday - Friday, the time commitment each day is about 2 hours, depending on the day. If you are only able to participate in part of the experience, that is fine. Of course, you would want to attend as many days as possible!

Each evening July 19-24 we gather on Zoom at 7:00 p.m. for about one hour, except for Sunday which is a little longer. During the three panel discussions, we encourage you to bring your lunch and bring your questions! Bring your ideas for creating change! Bring a parent if you want!
