Additional Music Resources

With Heart and Voice: <https://www.classical915.org/programs/heart-and-voice>

With Heart and Voice ® is a weekly program of sacred choral and organ music that features recordings from around the world. Exploring the ever-growing treasury of works for life's spiritual side, its seasons and celebrations, *With Heart and Voice* presents choral and organ music of many faiths, cultures and nationalities, and over a thousand years of celebration. Hosted by Peter DuBois, the program celebrates the seasons of the liturgical year and focuses on the richness and beauty of sacred music.

Pipedreams: <https://pipedreams.publicradio.org/listings/2020/>

Pipedreams is the only weekly radio program that explores the full range of the art and potential of the pipe organ. Each week, Pipedreams host Michael Barone shares selected organ works and performances, and in doing so, encourages listeners to engage both their ears and imaginations to gain greater appreciation of this instrument.

History of Hymns: <https://www.umcdiscipleship.org/content-library/tags/history-of-hymns>

Begun in 1984 by the late William J. Reynolds, History of Hymns is a column that was first featured in The United Methodist Reporter before transitioning to the resource catalog of Discipleship Ministries. The tradition of this hymnological column lives on as it is currently written by Dr. C. Michael Hawn.
